

NEGOTIATIONS FOR THE ACCESSION OF
THE SEPARATE CUSTOMS TERRITORY OF TAIWAN, PENGHU, KINMEN AND
MATSU ("CHINESE TAIPEI") TO THE WORLD TRADE ORGANIZATION

The Delegations of Chinese Taipei and the United States of America hereby notify that they have completed bilateral negotiations to establish terms of Chinese Taipei's accession to the World Trade Organization (WTO) in the context of commitments and concessions for Market Access for Goods and Services. Consequently, they join in presenting to the WTO Director General one original copy of the agreed schedules of concessions contained in the attached Annex.

Chinese Taipei

The United States of America

ANNEX

General Agreement on Trade In Services

Chinese Taipei's schedule under the General Agreement on Trade In Services (GATS) includes two exceptions from most-favored-nation (MFN) treatment relating to acquisition of land and air freight forwarding services. Chinese Taipei has conditioned its commitments in these two sectors on reciprocity.

Chinese Taipei hereby confirms that the United States satisfies the reciprocity requirement that is the basis for Chinese Taipei's MFN exception concerning acquisition of rights and interests in land. Therefore, Chinese Taipei will permit U.S. natural and legal persons to acquire rights and interests in land in Chinese Taipei as set forth in the list of MFN exceptions of its GATS schedule.

Furthermore, Chinese Taipei hereby confirms that the United States satisfies the reciprocity requirement that is the basis for Chinese Taipei's MFN exception concerning limitations on the percentage of equity that a non-Chinese Taipei natural or juridical person can hold in an air freight forwarding enterprise incorporated in Chinese Taipei and on the number of non-Chinese Taipei directors of such an enterprise. Therefore, Chinese Taipei will not impose a limit on the percentage of equity that U.S. natural and juridical persons are permitted to hold in an air freight forwarding enterprise incorporated in Chinese Taipei nor will Chinese Taipei limit the number of non-Chinese Taipei directors of such an enterprise.

Tariffs

After its accession to the WTO, Chinese Taipei will not apply tariffs above the rates applied in 1996 on an MFN basis, except for products that are subject to (1) a tariff quota, (2) temporary duty suspensions or reductions or are on the attached List of Exceptions. Such products are, however, subject to the bound rates set forth in Chinese Taipei's market access schedule.

Since Chinese Taipei's formal market access schedule for goods will be in the Harmonized System 96 nomenclature and that nomenclature differs from the nomenclature in the attached market access schedule, Chinese Taipei will provide a concordance, in electronic form, to the WTO Secretariat and any WTO member requesting one. This concordance will identify the changes for each tariff line associated with the conversion from the nomenclature used in the attached schedule to the Harmonized System 96 nomenclature. The conversion will be subject to verification to ensure that the scope of any concession has not been altered. Members will notify the Secretariat and Chinese Taipei of any objections to the conversion and attempt to resolve them promptly.
